ATTENTION JAMES B. CLARK, III  
United States Magistrate Judge

I apologize that I am not there in person but I reside in Arizona and could not afford the cost of doing so. DO NOT CLOSE MY CASE. This matter is very confusing and I would appreciate anyone who can enlighten me ASAP.

This letter is to ask the court to proceed with this action (Civil Action NO. 13-5614 (CCC)) and keep my suit in this matter open. I have no intention of not pursuing the legal lines of retribution for these companies for their part in the past housing corruption disaster.

Please proceed along these lines and keep this suit open.

Thank you.

Re: Blondel, et al. v. American Mortgage Network, INC., et al.  
Civil Action No. 13-5614 (CCC)

Dear Judge Clark:

My name is Timothy E. McDaniel. I am a named Plaintiff in the above entitled matter. I received your letter dated December 10, 2014 and was shocked by the contents. I hired the Resolution Law Group and paid them over \$10,000 to represent me in this matter. I never received any updates and had no idea about the status of the pending claim.

As a result, I am asking the court to give me a reasonable period of time to perform some due diligence so I can make a good decision on how to proceed. I would like to hire new counsel, but at this time, I don't have any information about the case.

I am requesting an extension in this matter so I am able to make a more informed decision. Thank you very much in advance for any consideration extended to me.

Sincerely,

Dear Judge Clark,

I was one of Ian Berger clients and I was very convinced and impress with his ideas of trying to help me modify my mortgage. He seemed very legit and I myself conducted some research on him before I invested my time and money. I was very overwhelmed and concerned when I received a notice about his law firm which is currently under investigation and scrutiny for foreclosure fraud. Judge Clark, at this time I cannot afford an attorney and appear in court on January 13, 2015, due to work related issues. I invested over six thousand dollars in hopes of getting my mortgage modified which seemed very promising, as result I anticipate that this will be a difficult case and I hope something positive comes out of it. I would like my case to continue in this process and I was wondering if I can be assigned or appointed to a new counsel. Please feel free to contact me at 917 586 8717.

Sincerely,

Ahelia Singh
